## Notes for Guidance

### 1. Definition of an Long Term Traveller

- must be the Northern Territory-registered owner/operator of a motor vehicle identified for use during the intended travel and / or hold an NT Driver Licence;
- must provide evidence of an NT residential address;
- must plan to be absent from the Territory for more than twelve months but intend to return.
- must make a separate application for each NT vehicle being used for interstate travel

### 2. Nominated Contact Address for Service of Notices

The nominated postal address for the service of notices may be your Northern Territory residential address or may be that of a friend or relative anywhere in the Northern Territory. If you use the address of a friend or relative, a letter from that person authorising the use of his/her address is required.

**IMPORTANT:** Please ensure you have a reliable contact address for your notices, as non-receipt of notices will not be accepted as an excuse for not responding to them. Any 'returned to sender' mail received by Motor Vehicle Registry may result in the revocation of your long term traveller status.

### 3. Supporting Documentation

Northern Territory residency documentation supporting your claim should be attached to this Statutory Declaration. ie Council Rate Notice showing residential address, Contract of purchase, current lease or rental document for relevant address, Land Tax Valuation Notice.

### 4. Conditions for Long Term Travellers

The Registrar of Motor Vehicles reserves the right to withdraw Long Term Traveller status at any time. It is the responsibility of Long Term Travellers to ensure that all notices are received and appropriately actioned.

### 5. Interstate Legislative Requirements

Whilst Long Term Traveller status allows Territorians to maintain their Northern Territory vehicle registration during extended period away, it provides no indemnity from other legislative requirements elsewhere in Australia. It is in your interest to make yourself aware of any local restrictions or legislative requirements of that jurisdiction which apply to Northern Territory registered vehicle(s) and / or Licensed Drivers.

## Warning

Persons who by false statement or misrepresentation obtain or attempt to obtain registration or renewal of registration or transfer of a motor vehicle, are liable to a penalty not exceeding \$2000 or imprisonment for 6 months under the Motor Vehicles Act.

## Privacy Statement

The Registrar of Motor Vehicles is required to collect information for registrations, licences and permits under section 92 of the *Motor Vehicles Act*. The Registrar adheres to the Department's Privacy Statement and the *Information Act*. Further information on privacy can be found at [www.nt.gov.au/dlp](http://www.nt.gov.au/dlp)
