Applicants have to pass a Balance and Stability practical riding test (Motorcycle Operator Skills Test (MOST)), or pass the Motorcyclist Education Training and Licensing (METAL) Basic course.

To obtain a class “C” Learner Licence

As the theory test for a Learner Licence is based on the Northern Territory Road Users' Handbook, you will need to obtain a copy of this booklet to study. The booklet may be purchased from any Motor Vehicle Registry (MVR) outlet or NT Police Outstations in remote areas. Alternatively, It is available free of charge online at www.mvr.nt.gov.au. The booklet also includes the Learner Driver's Guide which is invaluable in explaining the driving techniques you will need to demonstrate when it is time to attempt your practical driving test.

When you feel that you are ready to attempt the theory test, attend your nearest MVR outlet or NT Police Outstation if you live in a remote area. Make sure that you take along your [Evidence of Identity and Evidence of Residency](#) documents.

You will be required to complete [Form L1 - Application for a Northern Territory Driver/Rider Licence](#)

Once the forms have been completed and signatures witnessed by MVR staff, or a Police Officer, you will then be able to attempt the theory test. The theory test consists of questions in a multiple-choice format.

For those who have difficulty reading or writing, you may elect to attempt a verbal test with the assistance of an interpreter. Booking for a verbal test appointment may be done through your local MVR outlet or NT Police Outstation.

Interpreting service is provided by Interpreting and Translating Service NT (ITSNT). Please note that if you are not an Australian resident or citizen, you will be required to pay a fee directly to ITSNT.
