

Vehicle Inspectors Bulletin No 01

Effective Date: 12 November 2002

Transport Services Division

Issued by
Road Transport Compliance

For: ♦ Transport Inspectors ♦ MVR Supervisors ♦ NT Police
 ♦ Authorised Inspectors ♦ MVR CSOs ♦ Outstations

Vehicle Inspectors Bulletins (VIBs)

Vehicle Inspectors Bulletins (VIBs) have been developed mainly as a method of communication with persons appointed to perform vehicle inspections (Transport Inspectors, Authorised Inspectors and Police Outstation Officers).

VIBs are intended to set out policy and procedures on vehicle standards and regulation issues as well as being a source of other related information. They are to be used for:

- Informing of changes concerning vehicle inspection procedures including updates to inspection manuals.
- Providing technical information regarding roadworthy and vehicle safety standards.
- Formal communication with Authorised Inspectors and Transport Inspectors.

VIBs will be distributed to all relevant persons depending on the issue covered in the bulletin and will be available in hard copy and also published on the department's Internet site.

These bulletins will essentially perform the same function as the former Transport and Works Vehicle Standards Information Circulars and will be issued as and when needed.
