

## Changes to Rural School Bus Routes

As from **Monday 16 April** two school bus routes will change to improve the current rural services.

From Monday, **route 435** will travel to Southport in the morning to pick up school children attending Berry Springs School. This bus will follow the same route.

There is no change to the pickup times for children catching the bus before Southport Road, however students catching the bus after Southport Road will now be picked up ten minutes later.

Students who attend Berry Springs Primary School and currently catch the route 427 bus, should now catch the route 435 bus.

**Route 415** currently starts from the corner of Sunter and Therese Roads and travels along Girraween Road.

From Monday this bus will also service Hutchinson Road and start five minutes earlier (at 7-20am).

For further information visit [www.nt.gov.au/publictransport](http://www.nt.gov.au/publictransport) or call 8924 7666 for all bus routes and timetables.
