

# How to cross the road safely...

## STOP, LOOK, LISTEN and THINK

- **STOP** one step back from the kerb or shoulder of the road if there is no footpath.
- **LOOK** in all directions for approaching traffic.
- **LISTEN** in all directions for approaching traffic.
- **THINK** about whether it is safe to cross the road – when the road is clear or all traffic has stopped.
- When crossing walk straight across the road. Keep **LOOKING** and **LISTENING** for traffic while crossing.

**Hector says:**  
**Let's stay safe on our roads.**  
**"Let's look out for each other!"**
